Key Benefits

Fast & Easy Set-up

We will guide you through the easy onboarding process. Start selling today.

Accessible

Customers order through our free iOS or Android app or order online at carhopme.com.

Increase Sales & Revenue

Save time and money taking orders online instead of paying employees to take order via the phone.

How it Works.

1 - Set-up

Set up your online shop. Don't worry. If you need, we'll help you out with this.

2 - Promote

Let your customers know they can order online and either pick-up curbside or have it delivered in 1 hour or less.

3 - Make Sales

Customers order through your branded page on the CarHop website and app.

4 - Receive Order

You receive orders in real-time.

5 - Fulfill Order

You prepare the order and charge CarHop the full retail price, we collect payment from the customer.

6 - Pickup or Delivery

The customer picks up the order from your location or we send a driver to deliver it for you.
